Those Sick and Needing Prayer

My brother **Michael** passed away very unexpectedly last night sometime. There are no details as to exactly when or cause of death at this time. Leon and I ask for prayers for our family as well as my father **Ray O'Brien** who is 80 yrs of age and has lost his wife of almost 50 yrs and his eldest son in just a little over a year.

Much love and sincerest thanks to everyone!

Lisa and Leon

Dale Harriman went into the hospital this past Wednesday. They're running some tests on him. It's not critical. He might come home today. Please keep him and **Lois** in your prayers.

Suzanne Richards and **Cozelle Nelson** are both down. Please keep them in your prayers.

Please keep 13 year old, **Jake Berguno** and his **family** in your prayers. They recently found out he has leukemia. His father is a friend of Eric Cundieff's.

Robyn Muncie has gall bladder problems. She ranges from uncomfortable to pain. She needs our prayers.

Helen Gehrke is still suffering from gall stones. She will be meeting with a surgeon to see if she can have surgery. Please keep her in your prayers.
