Those Sick and Needing Prayer

Dave Duncanson's, brother, **Danny**, is home from his surgery. He has a long road to recovery. Please keep him in your prayers.

Please keep little **Jayden** in your prayers. He's our brother **George** and **Juliet Ochieng's**, son, from Boston, Massachusetts. His family came here from Kenya to seek medical treatment for their 2 year old son, 8 years ago. It has been a long road for their precious family.

Here is a current update from them.

Day #17 and we are still here. He's doing much better, thanks to your prayers. It's emotionally, physically, and mentally draining; just one of those things one can never get used to; each day dawns with new challenges. Finally a plan in the works that might result into Jayden getting released from the hospital next week. Please keep us all in your prayers. Thanks in advance. —George Ochieng

Please pray for **Richard Smith** to gain his strength back.

Russ and **Jo's** 16 year old granddaughter **Lisa Moore**, does not need to have gull bladder surgery and is doing much better.

Sherry Allen would like visits. If you want to visit her, it needs to be arranged with her daughter Cindy (909) 435-5697. Please keep Sherry and Randy in your prayers.

James Primus will be having test done on his heart, arteries and he's having some other health problems. Please keep him in your prayers.

Dieter Klase will be going through treatment over the next several weeks. Please keep him in your prayers.
